

Stage Rider and Technical Requirements

Mindreaper

1. General terms:

This rider is part of the MINDREAPER gig contract and must be fulfilled by all contractors. Please contact the band in case any item of the contract can not be fulfilled.

Contact: Mindreaper GbR
Sebastian Rehbein
Carlowitzstr. 3
D-55252 Mainz-Kastel
Germany
Tel.: +49 (0) 152 / 53 47 34 38
email: info@mindreaper.de

2. Lineup:

MINDREAPER includes 4 band members plus one crew member.

Vocals	=	Sebastian "Sucking" Rehbein
Guitar	=	Marcel Bangert
Bass	=	Christian "Ens" Schoenke
Drums + Vocals	=	Manuel Nozulak

Crew	=	may vary and will be announced in time. Normally 1 PAX
------	---	---

Band and crew will be traveling with a van (3.5 tons) or multiple cars.

3. Backline:

The organizing party will provide one guitar cabinet and one bass cabinet. Both must equal at least the standard of Marshall quality. Also the organizer will provide the required microphonics for picking up guitar and bass.

Also a drum kit for right handed personnel is required including the respective mircophonics.

If the band is supposed to provide any of the above mentioned backline it is the organizing parties duty to inform the band in prior!

4. Mixer:

Ch.	Instrument	Pick up
01	Bassdrum (left)	Mic
02	(Bassdrum (right))	Mic
03	Snare	Mic
04	HiHat	Mic

15	Vocals Drummer	Mic

5. Monitoring:

MINDREAPER require 4 better 5 monitors.

Monitor 1: Guitar + Sum

Monitor 2/3 (InEar stereo system (brought by band)):

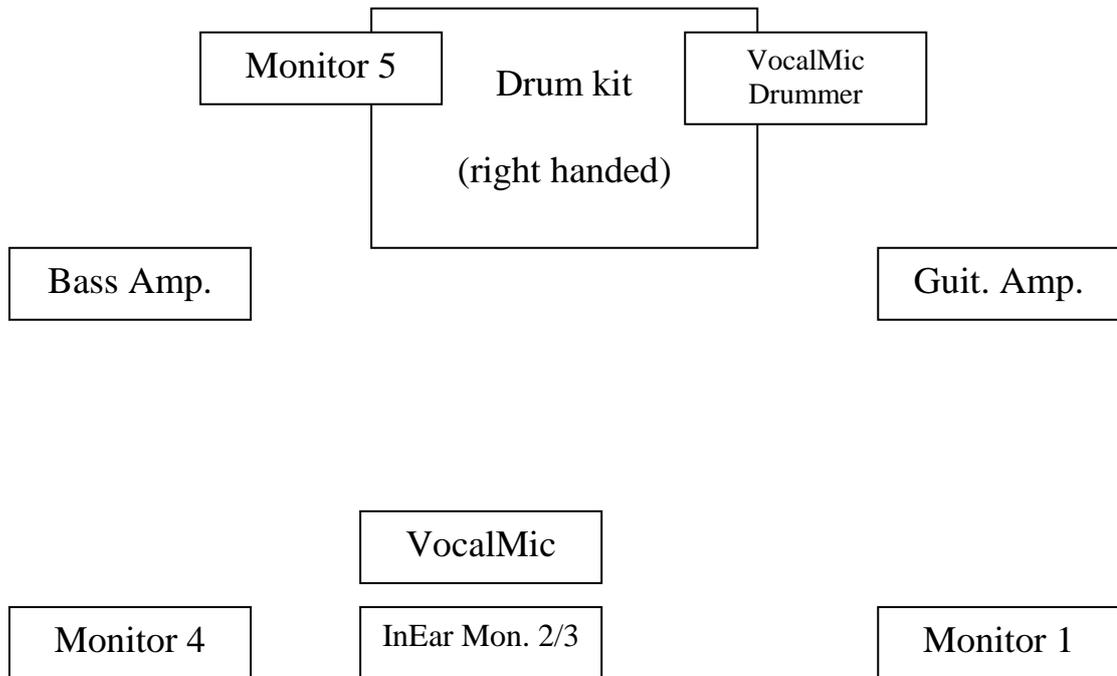

Ch. 1 = VocalMic

Ch. 2 = VocalMic Drummer + Sum

Monitor 3: Bass + Sum

Monitor 4: Drums + VocalMic Drummer + Sum

6. Stage plan

A sufficient number of electrical outlets must be available on stage!

7. Stage:

Stage should have a size of 6 x 5 0,8 m or more. The drums are supposed to be set up upon a riser of 2 x 2 0,4 m. The possibility to put up a backdrop should be given.

8. PA & FOH:

The organizing party will provide a sufficiently sized, professional PA equipment. The actual power output is supposed to be at 15 watts per PAX or above. Also the organizer will provide a professional mixing console including a sufficient number of channels and the personnel well trained to handle it!

9. Lighting:

A well illuminated stage is required for the performance of MINDREAPER (glare effects, strobes and fog machines preferred!). Please avoid blinding the musicians at all times and provide with well trained personnel.

10. Backstage area:

Please provide with a dry and heated room which is accessible for authorized personnel only.

11. Merchandise:

Please provide with an area where it is possible to sell CDs and shirts. This includes a table for display and the possibility to put up shirts and flags on the wall.

12. Catering:

On stage one bottle of water per member is required. The organizing party will provide with chilled drinks, coffee and a warm meal per member.
